Unless the Court orders otherwise, the arrearage amount shall be the amount stated in the creditor's allowed proof of claim.

A claim stated in this subparagraph (i.e. 910 claims) will be paid in full under the Plan with interest at the rate stated below, which may vary from the contract interest rate. Unless otherwise ordered, the principal amount to be paid will be as stated in the creditor's proof of claim. The holder of a claim will retain the lien until the earlier of payment of the underlying debt determined under nonbankruptcy law or discharge under Code § 1328, at which time the lien will terminate and shall be released by the creditor. Federal tax liens shall continue to attach to property excluded from the bankruptcy estate under Code § 541(c)(2) until the Internal Revenue Service is required to release the liens in accordance with nonbankruptcy law.

Secured creditors listed below shall be paid the amount shown below as the Amount to Be Paid on Secured Claim, with such amount paid through the Plan payments. If the Plan proposes to pay a Secured Claim less than the amount asserted in the proof of claim, then the holder of the Secured Claim must file a timely objection to the Plan. If the principal amount of the creditor's proof of claim is less than the Amount to Be Paid on Secured Claim, then only the proof of claim amount will be paid. If a creditor fails to file a secured claim or files a wholly unsecured claim, the debtor may delete the proposed payment of a secured claim in the order confirming plan. The holder of a timely filed secured claim will retain its lien until the earlier of payment of the underlying debt determined under non-bankruptcy law or discharge under § 1328, at which time the lien will terminate and shall be released by the creditor. Any proposed adequate protection payments are provided for in Section (C)(1)(a) above.

(c) Lien Avoidance.

■ None. If "None" is checked, the rest of Section (C)(5)(c) is not to be completed.

The judicial liens or nonpossessory, nonpurchase money security interests securing the claims listed below impair exemptions to which the debtor(s) would have been entitled under Code § 522(b). Unless ordered otherwise, a judicial lien or security interest securing a claim listed below will be avoided to the extent that it impairs such exemptions upon entry of the order confirming the plan. The amount of the judicial lien or security interest that is avoided will be treated as an unsecured claim in Section (C)(7) to the extent allowed. The amount, if any, of the judicial lien or security interest that is not avoided will be paid in full as a secured claim under the plan. See Code § 522(f) and Bankruptcy Rule 4003(d). If more than one lien is to be avoided, provide the information separately for each lien. All information for the avoidance of the lien(s) must be provided.
